### Investigative Information

Synopsis:	
-----------	--

Narrative:	<p>On 4/21/17, at 2353hrs, I was on routine patrol in Pierce County, WA. I was driving a fully-marked PCSD patrol vehicle which is equipped with emergency red/blue, flashing, lights. The vehicle has a full light bar on the roof along with alternating red/blue lights in both mirrors and the grill. The sides of the vehicle bear "Pierce County Sheriff" on both sides. I was wearing my department issued uniform which is equipped with Pierce County Sheriff patches on either shoulder, a badge, and the word "Sheriff" in reflective lettering on the back.</p> <p>I was northbound on 94th Ave E, near 122nd St E, when I noticed a southbound vehicle, bearing WA License #AGE0578 traveling well over the posted 35mph speed limit and cutting in and out of other vehicles. I estimated the vehicle's speed to be between 55-60mph. The suspect vehicle cut from the far right lane into the left lane in front of another vehicle. This caused the vehicle in the left lane to slam on his brakes to avoid a collision. The suspect vehicle then entered the left turn lane and turned in front of me causing me to slam on my brakes. The vehicle then proceeded eastbound on 122nd St E at a high rate of speed. I activated my emergency lights and siren in an attempt to stop the vehicle. I activated my spot light and shined it into the cabin of the vehicle. I could see the driver, later identified as (A) [REDACTED] look back at me.</p> <p>[REDACTED] continued eastbound on 122nd St E without stopping. [REDACTED] then ran the stop sign at 122nd St E and 98th Ave E and proceeded southbound on 98th Ave E at speeds of around 50mph. [REDACTED] reached 128th St E, ran the stop sign, and proceeded westbound on 128th St E. [REDACTED] continued westbound on 128th Ave E, a 35mph zone, at speeds of 60mph. [REDACTED] ran a solid red light at 128th St E and 94th Ave E and continued westbound at speeds ranging from 60-70mph. [REDACTED] then got to 86th Ave E where he, again, ran a solid red light and continued westbound. [REDACTED] then approached Woodland Ave E and went through the intersection on a green light at speeds of 50mph. When [REDACTED] hit the upward grade of 128th St E, past Woodland Ave E, his speed was so high that the rear bumper of the vehicle scraped the pavement and I could see sparks on the roadway. [REDACTED] continued down 128th St E towards Canyon Rd E. Up to this point, there were no other vehicles on the roadway. [REDACTED] ran a solid red light at 128th St E and Canyon Rd E at</p>

approximately 65mph. He passed through the intersection, directly in front of a large semi truck and trailer and several other vehicles on Canyon Rd E. All the vehicles were able to stop in time and avoid a collision with [3] [3] then continued westbound on 128th St E at speeds of 70mph. As [3] continued westbound, there were other vehicles traveling westbound. [3] passed three vehicles in the oncoming lane and continued westbound to Waller Rd E. [3] blew through the stop sign at 128th St E and Waller Rd E at speeds of 60-70mph and continued westbound. [3] made it to Golden Give Rd E and blew through the stop sign at 60mph. [3] did not even attempt to brake. [3] then made it to 128th St E and 6th Ave E. This is a T-intersection with a stop sign. [3] ran the stop sign and proceeded northbound on 6th Ave E. [3] then made a quick turn headed westbound on 127th St E. This is a two-way, two-lane, roadway with no shoulder. [3] proceeded westbound at around 50mph. [3] then turned northbound on A St and another turn into the parking lot of the Paradise Bowling Alley. The parking lot had several vehicles in it along with patrons on the sidewalks of the business. [3] drove through the parking lot at approximately 30-40mph towards Pacific Ave S. [3] then crossed Pacific Ave S and headed westbound on 125th St S. Pacific Ave S, in this area, is a two way, four-lane, state highway with a center turn lane. This is a heavily used roadway even in the evening hours. [3] did not even attempt to brake or check for traffic before crossing the roadway. [3] continued westbound on 125th St S at speeds of around 50mph. The area from here is all residential along with the campus of Pacific Lutheran University. [3] got to C St S, blew the stop sign, and continued northbound on C St S. He traveled for one block, then turned westbound on 124th St S. [3] then made it to Park Ave S, blew the stop sign, and headed northbound on Park Ave S. At Park Ave S and 123rd St S, [3] slowed to around 45mph. I moved into a position to attempt to use the Pursuit Intervention Technique (PIT). [3] saw me doing this and swung his vehicle across the front of my vehicle in an attempt to stop me from performing the maneuver. [3] then sped through the stop sign at Garfield St S and Park Ave S and continued northbound on Park Ave S. [3] then ran the stop sign at 121st St S and Park Ave S and headed westbound on 121st St S. [3] made it to 121st St S and Yakima Ave S. [3] pulled into a student parking lot of Pacific Lutheran University and jumped out of the vehicle. [3] ran past my patrol vehicle and headed southbound towards the campus. I exited my patrol vehicle and gave chase. I was approximately 15 feet behind [3] and yelling "POLICE STOP YOU'RE UNDER ARREST" but [3] continued to run. [3] ran for a few more yards before Deputy Stewart #469 and I were able to stop him and take him into custody. Deputy Stewart placed [3] in handcuffs which were gauged, double-locked, and rechecked for tightness.

I walked [3] back to my patrol vehicle where I read [3] his Miranda Rights from my department issued card which he understood and waived. I could smell an odor of Marijuana emanating from [3] person. I could see his eyes appeared bloodshot. [3] admitted to using Marijuana but could not remember when he used. [3] stated he knew the police were behind him the whole pursuit but was "scared" because he did not have a license. Sgt. Davidson #79 took custody of [3] and processed him for DUI-Marijuana.

I then made contact with (V1) [6] who was one of the two passengers in the vehicle. [6] stated they were "hanging out" before I attempted to stop them. [6] stated [3] knew the police were behind him but "didn't want to go to jail" so he ran. [6] stated he was in fear for his life throughout the pursuit and "begged" [3] throughout the pursuit to stop because he didn't want to "die". [6] agreed to complete a handwritten statement form which was sent to South Sound Records to be attached to this report.

I then spoke to (V2) [6] who was the second passenger in the vehicle. [6] stated he was "scared to death" throughout the pursuit and thought he was going to "die". [6] stated he was yelling at [3] to stop the car. [6] stated "I told him he was gonna kill us all". [6] agreed to complete a handwritten statement form which was sent to South Sound Records to be attached to this report.

Gene's Towing arrived and impounded the listed vehicle. [6] and [6] were given courtesy transports home and released to family members. Sgt. Davidson processed [3] for DUI and later booked him into Remann Hall on the listed charges. See other Deputies reports for further information. A records check of [3] showed his driving status to be suspended in the 2nd degree.

Nothing further at this time.

at 121th St S and Yakima Av S where [REDACTED] 3 fled on foot but was captured after a short foot chase; see Deputy Pressel's report for more details on the speeds and direction of the pursuit.

I contacted [REDACTED] 3 in the back of Deputy Pressel's patrol car. [REDACTED] 3 told me that he was read and understood his rights. He told me that he had smoked a bowl of marijuana about one hour ago. [REDACTED] 3 [REDACTED] 3 had an odor of marijuana coming from him, eyes were watery and bloodshot, and he was slow to respond to questions. He told me that he was running because he was scared and did not have a driver's license. His speech was slow and thick. I asked him about the car and he told me that it belonged to a friend of his cousin's and he let [REDACTED] 3 drive it. The Honda was previously attempted to be reported stolen on 4-18-17 reference CAD 1710802271 from the Lakewood Regal Cinemas. The owner at that time did not have enough paperwork to show that he had purchased it less than two weeks ago and the report was not taken. I inspected the vehicle and the ignition column was destroyed with the ignition assembly sitting beside the passenger seat and the vehicle was started with a screwdriver that was sitting in the seat. My belief is that the Honda was stolen but could not be proven at this time. I contacted [REDACTED] 3 again and asked if he would be willing to perform the voluntary field sobriety tests. He refused. With my training and experience I believed that he was under the influence. I told him that he was also under arrest for driving under the influence. I switched handcuffs that were double locked and checked for proper fit. I placed him in the back of my patrol car for transport to Allenmore Hospital for a blood draw.

**Blood Draw:**

I read [REDACTED] 3 adult and juvenile Miranda from my prepared card and he told me that he understood and waived his rights. I read him the voluntary blood draw form and he told me that he understood and agreed to the voluntary blood draw. He signed the voluntary blood draw form. Lab Technician William Davis was able to draw both vials of blood from [REDACTED] 3 right arm into the grey top vials that I provided. The vials had the white anti-coagulant inside and had not expired. William used an iodine prep and I witnessed the entire blood draw. I labeled the vials with the case information and William labeled them with his information. I sealed the vials with evidence tape and sent them to the Washington State toxicology laboratory for processing.

I transported [REDACTED] 3 to Remann Hall where he was booked on the listed charges. I completed the attached DUI cost recovery form.

There was no further information at the time of this report.
